

Statement of Compliance with REACH, (Registration, Evaluation, Authorization and Restriction of Chemicals) regulation 1907/2006 and Directive 2006/121/EC of the European Parliament.

CODIXX AG, Steinfeldstr. 3, 39179 Barleben, Germany, will meet all requirements for the REACH Regulation (EC) 1907/2006 and Directive 2006/121/EC of the European Parliament and the Council of 18 December 2006.

CODIXX AG supports the overall REACH objective of improving the protection of human health and the environment. CODIXX AG reaches all applicable REACH communication requirements according to Articles 7 and 33 and intend to remain compliant in the future.

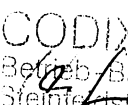

The initial candidate list of fifteen SVHC, Substances of Very High Concern, was published on October 28, 2008 by the ECHA, European Chemicals Agency. In January, March, June and December 2010, June and December 2011, June and December 2012, June and December 2013, June and December 2014 another 146 additional substances were added to the list for a total of 161 substances.

Our colorPol® polarizers do not contain these substances. CODIXX AG continues to work with its suppliers to ensure that all SVHC will be notified to the ECHA, as stipulated by the REACH requirement.
